

P0.9375 indoor LED display

Full front and rear installation fine pitch led displays

PRODUCT ATTRIBUTES

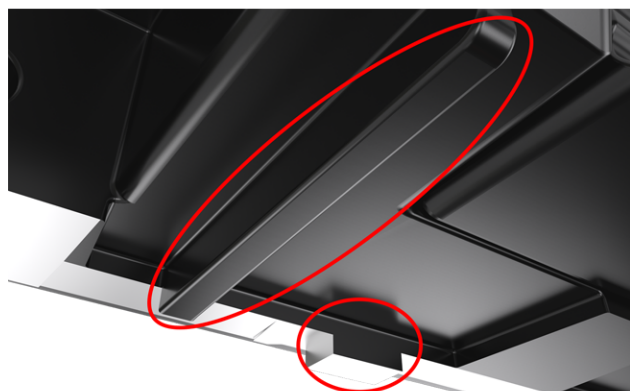

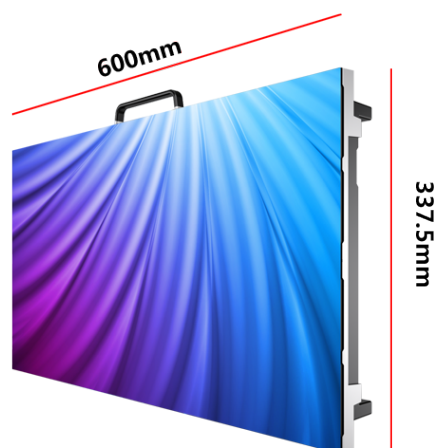

The HQ Series is a global indoor monitoring room solution that features front and rear maintenance, magnetic modules, double backup designs for signal and power, and other features. It is frequently utilized in contexts such as command centers, conference rooms, company of fices, and monitoring rooms.

1. Front and rear installation and maintenance make it simple to assemble and disassemble the screen;
2. The landing protection design offers good protection during assembly and installation;
3. The panel's magnetic design for modules, the HUB board, and the rear cover allows for quick installation;
4. Different pixel pitches modules are suitable with standard panels;
5. Hidden cables design makes it more tidier;
6. An optional solution with two backup designs for power and signal;
7. Support ground stacking, hanging, and mounting on walls;

Model	Pixel Pitch (mm)	0.9375
	Pixel Configuration	Mini 4 in 1
	Resolution (dots)	320*180
	Size (mm)	300*168.75
Cabinet	Size (mm)	600*337.5*57
	Material	Die-casting Aluminum
	Weight (Kg)	4.5
	Resolution (dots)	640*360
Photoelectricity	Pixel Density (dots/m ²)	1137777
	Brightness (nits)	600
	Grey (Bit)	14
	Refresh Rate (Hz)	2880~3840
	Color temperature (K)	3200~9500
	Scanning	1/46
	Viewing Angle (H/V)	120°/120°
	Max Power (W/m ²)	650
	Avg Power (W/m ²)	220
	AC Input Voltage	AC220V±10%/50~60Hz
Environment	Storage TEMP (°C)	-20~65
	Working TEMP (°C)	-10~40
	Storage Humidity (RH)	10%~85% No condensation
	Working Humidity (RH)	10%~90% No condensation
	Protection (Front/Back)	IP30/IP30
	Maintenance	Front & Rear service
	Life (hrs)	≧ 100000

16:9 GOLDEN RATIO DESIGN

2K/4K/8K resolution display

FALLING DEFENSE

two-point falling prevention

improved stability for the setup

more trustworthy to safeguard the lamps

DESIGN WITH HIDDEN WIRING

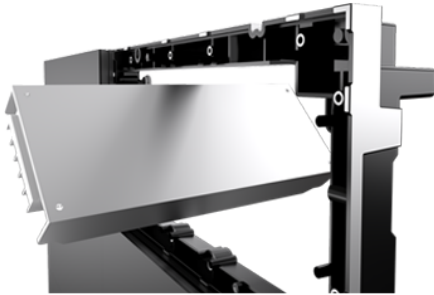

between the cabinets, unnoticed wires

The entire screen is more orderly and lovely.

Hidden Wires

**Power
Front & Rear
Maintenance**

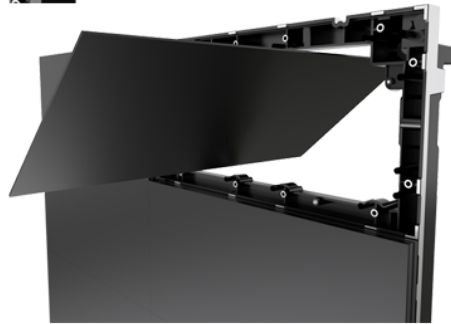

QUICK AND EFFICIENT UPKEEP

Module, power, and system maintenance from the front and back

Completely magnetic design

Three seconds of quick maintenance without tools

**Module
Front & Rear
Maintenance**

Support Many Installations

Bracket Installation

**Front Installation
without Steel Structure**
